#HANDMADE

At XLBoom, we take pride in crafting each item from scratch, making every piece truly unique. Throughout our entire production process, we pay meticulous attention to the finishing, ensuring the highest quality. We also prioritize creating our products in the best possible conditions, all while working with the finest materials.

#DESIGN

We collaborate with both national and international designers, including talents like Frederik Delbart, Sasha Sartory and Alain Gilles, who skillfully bring our XLBoom essence to life through stunning and coherent designs. Every product is crafted exclusively for XLBoom, ensuring our distinct touch is present in every piece.
